About Me

Hi, I'm Rubeena, an Electronics and Communication Engineering (ECE) graduate from SDMCET Dharwad with a strong interest in UI/UX design and technology-driven solutions. My journey blends creativity with logic — from building functional electronic systems to crafting user-centered digital experiences.

Skills

- Pyt
hon
- SQL
- UI
Design
- UX Research

Projects

Smart Home Automation System
A system to control home appliances remotely, enhancing convenience and energy efficiency.

Electronic Stage Timer (using Arduino Uno)
A timer designed for managing stage performances using Arduino Uno.

OFDM in Wireless Communication
Implementation of OFDM techniques for wireless communication systems.

Hobbies

-  **Cooking**
-  **Travelling**
-  **Vlogging**
